Ms. Tucker	Environmental Science	melanie.tucker@polk-fl.net
Ms. Walker	Language Arts	irene.walker@polk-fl.net

Daniel Jenkins Academy

HOW DO I LOG-IN TO MY STUDENT EMAIL ACCOUNT?

1. Go to ClassLink for Students (<https://launchpad.classlink.com/mypolk>).

2. Log-in to your ClassLink account.
 - Students log-in using their "mypolkschools.net" student account.
 - For their username, the naming convention will be first name and last initial, ending with @mypolkschools.net.
 - For example: John Test could be johnt@mypolkschools.net.
 - Students that do not know their password should email their teacher. Teachers and school officials can provide password information.
3. From the ClassLink homepage, select the app icon for "Outlook Online."

4. The very first time you launch Outlook Online, you may receive a message prompting you to select a language and time zone.
5. Now, you should have access to your school email. You will want to check your email each day, as your teachers will be communicating via email with you frequently.
